Homework 2
Computer Science 511
Fall 2010
Due on Friday, September 17

Reading Assignment
Kleinberg and Tardos, Chapter 7.

Problem Set
In this and all subsequent assignments, unless otherwise stated, all problems are from the Kleinberg and Tardos text (K & T).

2. (10 points) Exercise 18, pp. 424–425.
4. (10 points) Exercise 29, p. 433.
5. (10 points) Exercise 42, p. 443.
6. (10 points) Exercise 43, pp. 443–444.

Note. We reserve the right to grade only a subset of the problems assigned. Which problems will be graded will be decided after the submission deadline.
